The diagram illustrates a call relationship between three functions. On the left, two white rectangular boxes are stacked vertically. The top box contains the text 'HempyModule\_Web::refresh\_FiveSec' and the bottom box contains 'HempyModule\_Web::refresh\_Sec'. On the right, a gray rectangular box contains the text 'HempyModule\_Web::sendMessages'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box, indicating that both 'refresh\_FiveSec' and 'refresh\_Sec' call 'sendMessages'.
