

WaterPump::getStateText

```
graph LR; A[WaterPump::getStateText] --> B[toText_pumpState]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray fill and a black border, containing the text 'WaterPump::getStateText'. The right box has a white fill and a black border, containing the text 'toText_pumpState'. A dark blue arrow points from the right side of the left box to the left side of the right box.
