The diagram illustrates a header file inclusion relationship. At the top is a gray-shaded box representing the header file: `Gbox420_Mega_Main/src/Modules_Web/ReservoirModule_Web.h`. Below it are two white boxes representing source files. The left box is `Gbox420_Mega_Main/src/Modules_Web/MainModule_Web.cpp` and the right box is `Gbox420_Mega_Main/src/Modules_Web/ReservoirModule_Web.cpp`. Blue arrows point from each source file box up to the header file box, indicating that both source files include the header file.
