

AirPump::getStateToText

```
graph LR; A[AirPump::getStateToText] --> B[toText_onOff]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'AirPump::getStateToText'. The right box is white and contains the text 'toText\_onOff'. A dark blue arrow points from the right side of the gray box to the left side of the white box.

toText\_onOff
