The diagram illustrates a header file inclusion structure. At the top is a grey box representing the header file: Gbox420_Mega_Main/src/Components_Web/LightSensor_Web.h. Below it are two white boxes representing source files. The left box is Gbox420_Mega_Main/src/Components_Web/LightSensor_Web.cpp, and the right box is Gbox420_Mega_Main/src/Modules_Web/MainModule_Web.cpp. Blue arrows point from each source file box up to the header file box, indicating that both source files include this header.
